Chorus and Quartet News

Sumthin' Else

Sumthin' Else has been busy as bees! Recently, after performing several tunes for toe-tapping residents of a local assisted living facility, the quartet moved next door to repeat the half-hour show at the affiliated memory care center.

Later in August, the quartet experienced the joy of singing with *Sisters of Sound* in its annual summer show. Audience members included a handful of grinning *Harmony Sound Waves* gals, whose presence certainly added to the confidence level and support system. Dressed to the nines in our best tacky tourist garb, Lead **Leslie LaForty**, Tenor **Liz Martinez**, **Barbara Fleischman**, baritone, and **Lu Jo Karkovice**, bass, rendered comical barbershop versions of *Hard Hearted Hannah* and *King of the Road*.

Coming up next for Sumthin' Else is a paid gig that unfortunately had to be rescheduled because of a nasty hurricane. Now though, practice sessions with our coach, **Ludmila Hemmings**, will become more intense as the quartet focuses on its holiday presentations and AC&C.

South Lake A Capella

LuJo Karkovice

Now that Hurricane Irma has blown through our area, we're back to blowing the pitch pipe and crooning our tunes.

This prospective chapter of Area 6, South Lake A Capella Chorus, had the distinct honor of debuting its talents recently as guests of our sister chapter, *Sisters of Sound*, in its August show. The supportive faces of *Harmony Sound Waves* in the audience, combined with coaching tips from SLAC Director, **Ludmila Hemmings**, Assistant Director, **Vincenza Como**, and the ever helpful and extremely knowledgeable **Shannon Elswick**, helped bolster the spirits of the 12-member prospective chorus. Dressed appropriately as tacky tourists for SOS's 'round the world theme, SLAC performed *Irish Blessing*.

South Lake A Capella is anticipating another event, in early October, at a nearby church. We hope to help raise both awareness of Barbershop, and funds, as we sell homemade craft items and perform our craft.

We are working hard toward becoming chartered by year's end, and gratefully appreciate the support we've received from sister chapters including a sheet music gift from a former Area 6 chapter, *Hernando Hills Hi-Lites*.
